Previously withdrawn claim 175 has been rewritten to include the limitations of canceled claim 166, which had depended from claim 162, which in turn depends from new independent claim 157. As new independent claim 157 is generic and is allowable, it is respectfully submitted that previously withdrawn claim 175, as well as previously withdrawn claim 176 which depends therefrom, are also allowable and should be considered in the present patent application.

Previously withdrawn claim 247 has been rewritten to include the limitations of claim canceled claim 238, which had depended from claim 234, which in turn depends from new independent Claim 230. As new independent claim 230 is generic and is allowable, it is respectfully submitted that previously withdrawn claim 247, as well as previously withdrawn claim 248 which depends therefrom, are also allowable and should be considered in the present patent application.

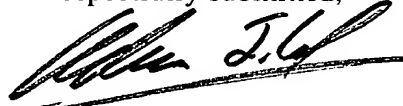

It is believed that the above represents a complete response to the Official Action and reconsideration is requested. Specifically, Applicants respectfully submit that the application is in condition for allowance and respectfully requests allowance thereof.
